Match Facts

- Defending champions, India, will clash with Australia in the mega final of the 2024 ICC U19 Men's Cricket World Cup at Willowmoore Park in Benoni on Sunday, the 11th of February. India and Australia have made it to the final of all three recent Men's Major ICC events (World Test Championship 2023, ODI Cricket World Cup 2023 and U19 Cricket World Cup 2024).
- India and Australia are also the two most successful teams in U19 World Cup history. India will be playing a record ninth final while for Australia, it will be their sixth appearance in the summit clash. India has won the tournament on five occasions, and Australia has lifted the trophy thrice. In the two U19 World Cup Final they have played each other, India emerged victorious on both occasions (6 wicket win at Townsville in 2012 and by 8 wicket win at Mt. Maunganui in 2018).
- Historically, the two sides have met each other 37 times in Youth ODIs with India leading the rivalry 23-14. It has been a tale of two contrasting halves. While Australia had the wood over India from 1985 to 1998 leading the head-to-head by 11-4, India has had a stranglehold over Australia since 2000 with a staggering 19-3 record. However, in ICC Men's U19 World Cups India is unbeaten against Australia with a 6-0 record.
- Willowmoore Park in Benoni has hosted five games this tournament with each one of them being a thriller – down to the wire, either the last over or the last wicket. Team chasing has come out triumphant on three occasions. While pacers have picked 49 wickets at an average of 23.3 and economy of 4.5, spinners have accounted for 25 wickets at an average of 29.3 and economy of 3.5 at the venue. The average score batting first at Benoni in the tournament is 195.
- It will be a clash between the best batting unit and the most potent bowling attack of the tournament. India has the best combined batting average (43) and strike rate (95.3) in the tournament. They have a total of 12 fifty-plus individual scores with top three run-scorers of the competition all from India so far. Australia, on the other hand, have the best bowling average (13) and bowling strike rate (20.4) in the competition. Their fast bowlers have been the most threatening with the best bowling average (11.5) and strike rate (20.1) and economy rate (3.4) in the tournament.
- India's skipper, Uday Saharan, has led from the front and is the leading run-getter of the tournament with 389 runs with one hundred and three fifties in six innings. He has been brilliantly consistent and not failed even once in the competition. While he has scored at a strike rate of 71 against the spinners, Saharan has enjoyed facing the faster bowlers and has a

strike rate of 83 against them in the tournament. He also has an aggregate of 586 runs in 12 Youth ODIs at an average of 53.3 with two hundreds and four fifties.

- Two other key batters would be Musheer Khan and Sachin Dhas. Musheer, currently second on the runs tally has scored 338 runs at a strike rate of 101.2. He is the only batter to register two hundreds in the tournament. Dhas is peaking at the right time for India – he hammered 116 off 101 deliveries against Nepal in Bloemfontein before producing a sublime under-pressure 96 off 95 deliveries in the big semi-final against hosts South Africa in Benoni.
- Harry Dixon is the leading run-getter for Australia in the tournament with an aggregate of 267 runs at a strike rate of 82.4 with three fifties. His highest impact knock came against Pakistan in the semi-final in Benoni where he kept one end intact even as others in the top-order crumbled around him. Dixon scored an invaluable 50 off 75 deliveries in the chase. He has scored 526 runs at an average of 40.5 in 13 Youth ODIs for Australia and will be the one to watch for in the final.
- Skipper, Hugh Weibgen has also been in fine form and scored 256 runs at a strike rate of 85.6 with a hundred and a fifty. He produced his best against England smashing 120 off 126 deliveries in Kimberley. Weibgen has scored 563 runs in 13 Youth ODI innings at an average of 46.9 and strike rate of 86.7 and will be crucial in their middle order.
- Saumy Pandey is the third-highest wicket-taker of this tournament with 17 wickets in six matches at a stunning average of 8.47 and economy rate of 2.44 – both, the best in the tournament famong bowlers who have bowled a minimum of 10 overs. Pandey has been phenomenally consistent and bagged three four-wicket hauls in the tournament. He will be key for India in the middle-overs and pose a significant threat to the Australian right-handers – 15 of his 17 dismissals in the tournament have been right-handed batters.
- Callum Vidler has been brilliant with the new ball for Australia and picked eight wickets at an economy of 3.7 in the powerplay. Overall, he is amongst the top 5 wicket-takers of the tournament with 12 wickets at an average of 10.8 and economy of 3.9. He has bagged two four-wicket hauls (4/17 vs Namibia and 4/29 vs England). Tom Straker will be another key bowler for them as he returned with 6 for 24 in the semi-final against Pakistan – the best bowling figures in history of Semi-Finals at this competition. These two have all the potential to pose a few questions for the Indian top-order.

Upcoming Milestones

- Hugh Weibgen is just 37 runs short of 600 runs in Youth ODI cricket. He will be the eighth Australian to achieve that feat.
- Saumy Pandey is just one wicket shy of overhauling Ravi Bishnoi's record for the most number of wickets by an Indian bowler in a single edition of the U19 World Cup (17).
- Uday Saharan is just 14 runs short of 600 runs in Youth ODIs.
- Musheer Khan requires 68 runs to also complete 600 runs in Youth ODI cricket.

Match Review

SEMI FINAL 2: AUSTRALIA vs PAKISTAN

Date: 08/02/2024
Time: 10:00 AM
Venue: Willowmoore Park, Benoni
Result: Australia won by 1 wicket

Pakistan: 179/10 in 48.5 overs			
Arafat Minhas	52 (61)	Tom Straker	6/24 (9.5 ov.)
Azan Awais	52 (91)	Tom Campbell	1/23 (6 ov.)
Shamyl Hussain	17 (23)	Raf MacMillan	1/29 (10 ov.)
Australia: 181/9 in 49.1 overs			
Harry Dixon	50 (75)	Ali Raza	4/34 (10 ov.)
Oliver Peake	49 (75)	Arafat Minhas	2/20 (10 ov.)
Tom Campbell	25 (42)	Naveed Ahmed Khan	1/25 (10 ov.)

Match Facts

- Australia edged past Pakistan by one wicket in a cliffhanger of a semi-final in Benoni on Thursday. After dismissing Pakistan for 179, Australia recovered from the early setbacks and seemed well on their way to victory before suddenly losing wickets in a heap at the death. It took a nerve-wracking last-wicket stand of 17 off 19 deliveries between Raf MacMillan and Callum Vidler to finally see them through in one of the most dramatic finishes ever in U19 World Cup history! Australia will now clash with defending champions India in the mega final at the same venue on Sunday. It will be Australia's sixth final at the U19 World Cup.

- Australia won the toss and elected to field. Shamyl Hussain got his innings going with a flurry of boundaries before Tom Straker sent him packing in the ninth over. Meanwhile, Pakistan's best batter in the tournament – Shahzaib Khan – hadn't got off to a great start. He was a tad too cautious, looked scratchy and played and missed on a few occasions. Khan's painful vigil at the crease was finally ended by Callum Vider in the next over as he was caught at backward point for an uncharacteristic 4 off 30 deliveries. The three Australian pacers – Straker, Vidler and Mahli Beardman along with the off spinner, Raf MacMillan, kept a tight leash on the Pakistani batters and did not give anything away. Pakistan kept losing wickets at regular intervals and could not get any momentum into their innings – they soon found themselves struggling at 79 for 5 after 28 overs. Azan Awais and Arafat Minhas got some stability and built a 54-run stand for the sixth-wicket off 75 deliveries before Straker saw the back of Awais for 52. Minhas up the ante and hit a few boundaries before holing out to deep cover for 52 off 61 deliveries. Straker returned to polish off the tail as Pakistan were bowled out for 179 in the 49th over. As many as seven of their batters were dismissed for a single-digit score. Straker was the pick of the bowlers with six wickets.

- The Australian openers, Harry Dixon and Sam Konstas, gave their side a solid start before the latter was cleaned up by Ali Raza off the first delivery after the powerplay. Off spinner, Naveed Ahmed Khan, then got the prized scalp of skipper, Hugh Weibgen in the 14th over. Harjas Singh and Ryan Hicks exited soon after to leave Australia in big trouble at 59 for 4 in the 17th over. Dixon, still at the crease and guarding one end, stitched a crucial 43-run stand for the fifth wicket off 60 deliveries with Oliver Peake before his stumps were rattled by Arafat Minhas in the 27th over – the left-hander departed for a well-compiled 50 off 75 balls. Peake and Tom Campbell then joined hands and put together 44 off 73 deliveries for the sixth wicket and just

when it seemed Australia were in control, Minhas went through the defence of Campbell to reduce Australia to 146 for 6 in the 39th over. Raza then produced some magic and got rid of Peake in the 42nd over before dismissing Straker and Beardman in the 46th. The match had turned on its head! Australia still needed 16 to win and just had one solitary wicket remaining. But there was more drama as MacMillan and Vidler were determined to see their side through. They did not panic, displayed an excellent technique and temperament and placed the ball in the gaps and ran hard, slowly but surely eating away at the target. Fortune favours the brave, and the luck was certainly with the Australians as MacMillan top edged a delivery from Mohammad Zeeshan in the 48th over, over the keeper's head to the boundary – the target was now under 10. Vidler, somehow, kept Ubaid Shah at bay, planting his front-foot forward to defend at almost everything in the 49th over. And then came the moment – as MacMillan inside-edged the first delivery of the 50th over bowled by Zeeshan – the ball passing by perilously close to his leg-stump to the fine-leg boundary. Australia were through to the final in a humdinger of a contest by the barest of margins! MacMillan remained unbeaten on 19 off 29 deliveries while Vidler was undefeated on two off nine. Raza was the pick of the Pakistani bowlers and returned with 4 for 34 off his 10 overs.

Milestones Achieved

- Australia has now made it to their sixth U19 World Cup final, the second most number of occurrences by any nation after India (9).
- Tom Straker's 6-24 off 9.5 overs are now the best bowling figures in the history of Semi-Finals or Final of all ICC U19 Men's Cricket World Cups. They are the third best figures by an Australian in the history of this competition and also, currently third best overall in this tournament so far.
- Ubaid Shah ended the tournament with 18 wickets which currently places him at number two on the wickets' tally of this tournament. He is now the joint second highest wicket-taker from Pakistan alongside Tariq Mahmood (2004) in a single edition of the tournament, one wicket short of Riaz Afridi (2004) and Mushtaq Ahmed (1988).
- Harry Dixon has now crossed 500 runs in Youth ODI cricket.
