
APPENDIX 3 – DATA SUMMARY FOR RESIDENT PLAYERS

A Data Summary Form (in the form set out in this Appendix) must be completed on official letterhead of the applicable *National Cricket Federation* for each *Player* seeking to qualify as a 'Resident' for a particular country. In the case of *Associate Members* whose representative teams are participating in a particular *ICC Event*, it must be filed with the *ICC Tournament Director* at the time of filing the *Squad Registration Form*.

NOTE: This Form has been prepared in such a way so that it can remain 'live' for all *Players*, thereby avoiding unnecessary duplication of information for subsequent applications. If it becomes necessary to make a subsequent application, then the *National Cricket Federation* needs only to add in the new information where appropriate and re-calculate using the subsequent filing date of the *Squad Registration Form* as the starting point from which to work backwards (see instructions below).

Dear International Cricket Council,

Date Of Submission: _____

Tournament (Including Dates): _____

Full Name of Player as per Passport: _____

Date of Birth: _____ **Player's Nationality:** _____

Please complete the form overleaf by following the steps described below, having due regard to the example form provided:

- **STEP 1:** Complete Box A ('General Record of Residency') with a full record of residency in (and absences from) the relevant country, starting with the earliest period of residency and working forward in chronological order to date.

NOTE: For subsequent applications, this record of residency need only be supplemented with the most recent information, which should continue to be added to the bottom of the existing record already contained in Box A.

- **STEP 2:** Insert the due date of submission of the *Squad Registration Form*.

NOTE: For subsequent applications, the due date of submission of the Squad Registration Form will be different to that which applies for the purposes of the original application. It will therefore need to be replaced with the new due date of submission.

- **STEP 3:** Complete the first column of Box B ('Relevant Residency') with the dates of the relevant years to which the application applies, working in reverse order from the due date of submission of the *Squad Registration Form*.

NOTE: For example, where the due date of submission of the Squad Registration Form is 1 April 2018, then: (i) YEAR ONE will be 2 April 2017 – 1 April 2018; (ii) YEAR TWO will be 2 April 2016 – 1 April 2017; and (iii) YEAR THREE will be 2 April 2015 – 1 April 2016.

NOTE: For subsequent applications where the due date for submitting the Squad Registration Form is different, the relevant years for the purposes of the application will also be and need to be replaced with the correct years.

- **STEP 4:** Using the information provided in Box A, complete Box B with the details of the relevant residency in each of the relevant years.

NOTE: For subsequent applications, because the relevant years will be different to that of the original application (see above), the relevant residency in each year may also need to be recalculated and replaced.

- When completing the form, please note that days on which a *Player* departs from and/or arrives into the relevant country shall not be treated as an absence from that country.
