- 2.2 This RFP invites Proposals from Applicants with:
- (a) extensive proven experience in providing services similar to the Services;
  - (b) a strong financial position;
  - (c) sufficient resources (in particular staffing) to provide the Services; and

  - (c) provide a full, detailed breakdown of costs in relation to creating the full list of deliverables required as part of the Services within the Price Quotation (as detailed in Appendix F).
- 2.4 The ICC's strong preference is to have one Applicant provide all the Services, but Applicants who can provide a subset of them are welcome to respond.
- 2.5 In submitting its Proposal, each Applicant will have to establish that it satisfies (or will satisfy in a timely fashion) the Criteria and the Requirements. IBC will evaluate the Proposals based on the extent to which they satisfy such conditions and requirements.

- 2.6 Each Applicant should provide satisfactory evidence to IBC in its Proposal of its financial standing and of its ability to meet the commitments it makes in its Proposal. IBC reserves its right to require appropriate bank guarantees and/or parent company performance guarantees.
- 2.7 IBC may, in its absolute discretion, waive any of the conditions and/or requirements set out in this RFP in respect of any or all of the Applicants. Each Applicant will be evaluated on the overall merits of its Proposal and the Successful Applicant(s) may not have satisfied all conditions and requirements and may not necessarily be the one which offers the most competitive financial terms.

IBC reserves the right to make its response to any query from any Applicant available to all relevant Applicants without revealing the identity of the initial enquiring party.
- 3.4 IBC may not be able to provide responses and/or additional information to all queries and it shall definitely not be able to do so if such requests are sent less than 5 (five) business days before the due date for receipt of Proposals as set out in the Timetable.

- 4.1 Each Applicant must submit to IBC its Proposal documents, in English, by email by no later than the due date prescribed in the Timetable to the following addresses:

[Barry.mcadams@icc-cricket.com](mailto:Barry.mcadams@icc-cricket.com)

- 4.2 Each Applicant must attach all applicable documents in support of its Proposal in accordance with the requirements set out in paragraph 2.3 of this RFP as well as any other relevant materials, weblinks, photographs and/or attachments. IBC may issue supplementary requests for information which, once issued, will form part of this RFP. IBC may also ask any Applicant for such further information, guarantees and/or documents as IBC deems necessary in connection with any Proposal at any time and any such further information, guarantee and/or document may be used at any point in the Selection Procedure by IBC to evaluate a Proposal.
- 4.3 Each Proposal, once submitted, constitutes a binding and irrevocable offer to provide the Services on the terms set out in the Proposal, which offer cannot be amended or withdrawn after its date of submission (in either case unless requested by IBC).
- 4.4 IBC is not obliged to accept or consider any Proposal in full or in part or any responses or submissions in relation thereto and IBC may reject any Proposal, responses or submissions (or any part thereof) and, in its sole discretion, may refuse to award any business in connection with this RFP. Without prejudice to the foregoing, IBC reserves the right to appoint the Applicant(s) whose Proposal (in the absolute discretion of IBC) most successfully conforms to the Criteria and

the Requirements in accordance with the terms and conditions described in this RFP or to make alternative arrangements for the provision of the Services, including (without limitation) issuing a revised or different RFP or providing the Services itself.

- 4.5 IBC shall conduct the Selection Procedure in accordance with the Timetable set out in Appendix D. Each Applicant is and shall be required to comply fully with the applicable deadlines in the Timetable as well as such other deadlines as are imposed by IBC throughout the Selection Procedure (unless otherwise approved by IBC on a case-by-case basis).
- 4.6 The Selection Procedure shall consist of:
- (a) a technical evaluation of each Proposal examining each Applicant's ability to provide the Services in accordance with the Requirements, including evaluation of the examples provided;

  - (c) an evaluation of each Applicant's suitability, experience and qualifications, including (without limitation) its compliance with the Criteria as well as the organisational structure and infrastructure proposed by the Applicant to provide the Services.

Each Applicant shall supply such further information and/or documentation requested within 7 (seven) calendar days (or such other period of time as may be required by IBC) following receipt of the written request for that information and/or documentation. Any and all costs and/or expenses associated with the provision of the additional information and/or documentation shall be borne by the Applicant.
- 4.8 IBC reserves the right (in its absolute discretion) to determine how to progress any discussions and/or negotiations with Applicants following submission of the Proposals.
- 4.9 After careful consideration and thorough examination of the Proposals and, if applicable, the presentations, IBC shall, in its absolute discretion, confirm which Applicant(s) (if any) it proposes to appoint as the Successful Applicant(s). The relative competitiveness of the financial terms offered may not necessarily be a decisive factor in choosing between Proposals. IBC reserves the right to make the appointment of the Successful Applicant(s) subject to such further terms and conditions as it considers appropriate in relation to this RFP process and/or the provision of the Services. Applicants who have not been selected shall be informed accordingly in writing. IBC shall not be obliged to give any reason(s) for the selection and/or rejection of any Proposal or any part thereof.
- 4.10 The appointment of the Successful Applicant(s) is subject to the conclusion of Agreement(s) between IBC and the Successful Applicant(s) governing all rights and obligations related to the Services. The Agreement(s) shall be prepared by IBC to include such terms and conditions commonly included in agreements of such nature, together with any other terms and conditions which are required by IBC (whether arising from the specifications of the Proposal of the Successful Applicant(s) or otherwise). Each Applicant agrees and acknowledges that IBC shall have the absolute right to determine at its absolute discretion whether or not negotiations shall be conducted on an exclusive basis.
- 4.11 Notwithstanding any other provision of this RFP, IBC reserves the right, at any time and in its absolute discretion, to accept or reject Proposals (or to permit any Applicant to resubmit its Proposal in the event that such Proposal fails to meet any or all of the Criteria and/or the Requirements), to pursue negotiations with any number of Applicants, to withdraw from

negotiations with any Applicant at any time, to pursue negotiations in respect of some or all of the Services and to suspend, discontinue, modify and/or terminate this RFP process (or any part thereof) at any time.

In participating in this RFP process, responding to this RFP and/or submitting a Proposal, each Applicant accepts and agrees to be bound by and to comply with the terms of this RFP generally, including (without limitation) the following terms and conditions (which apply in each case equally to all Applicants):

- 5.1 Nothing in this RFP, or in any communication made by IBC or its officers, employees, representatives, agents and/or advisers shall constitute an offer of a contract or a binding contract between IBC and any Applicant, nor shall it be taken as constituting any representation that rights or licences will be granted in accordance with this RFP and/or the Selection Procedure.
- 5.2 IBC reserves the right, at any time during the Selection Procedure, to change any aspect of this RFP, to issue any separate amendment or addendum to this RFP (which will become part of this RFP upon issue) or to issue an amended RFP in place of this RFP, to refuse to consider any Applicants or to withdraw this RFP. Applicants acknowledge that IBC may decide to organise the Services on its own or without appointing any third party and that IBC may increase, decrease, suspend, discontinue and/or modify its requirement for the Services.
- 5.3 Following consideration of the desirable contractual structure for the Services in light of the location and identity of the Successful Applicant, IBC may (at any time prior to execution of the Agreement) elect for the contracting party to be the host of an ICC event or other appropriate entity rather than IBC.
- 5.4 Whilst IBC has taken all reasonable care to ensure that this RFP is accurate in all material respects at the date of its issue, neither IBC, nor any of its officers, employees, representatives, agents and/or advisers make any representation or warranty or accept any responsibility for the accuracy or completeness of the information contained in this RFP or in any subsequent correspondence by IBC in relation to this RFP, nor shall they be liable for any loss or damage suffered by any Applicant or any other third party in reliance on this RFP or any subsequent communication with IBC.
- 5.5 Without prejudice to paragraph 5.4 above, this RFP does not contain any representation upon which any Applicant or other recipient may be entitled to rely at any point in time in order to bring any claim, action or proceedings against IBC and/or its associated entities and/or any of their respective officers, employees, representatives, agents and/or advisers (whether for misrepresentation or otherwise). This RFP is incapable of creating any liability for IBC and/or its associated entities and each Applicant hereby irrevocably and unconditionally waives any and all rights it may have, now or at any time in the future, to bring any claim in any court of competent jurisdiction in relation to the appointment or manner of appointment of any Applicant, the Selection Procedure or otherwise in relation to the RFP process.
- 5.6 Each Applicant represents, warrants and undertakes to IBC that any and all information contained in its Proposal and/or submitted in connection with its Proposal, and any and all representations made by or on its behalf to IBC, during the course of the Selection Procedure shall not be false, inaccurate or misleading in any respect (including, without limitation, by the omission of any material, information or facts) and that if, after submitting its Proposal there is any change in the Applicant's circumstances or any other event occurs which may adversely affect and/or impact such information and/or representations and/or the manner in which they may be interpreted by IBC, the Applicant shall promptly notify IBC in writing setting out the relevant details in full. IBC is and shall be fully able to rely on the accuracy and authenticity of any and all information

contained in any Proposal and/or submitted in connection with any Proposal in assessing any Applicant's ability to perform and deliver the Services.

- 5.7 Each Applicant agrees to keep confidential at all times, whether during or after the Selection Procedure, all Confidential Information and to take all necessary steps to preserve the strict confidentiality of such Confidential Information, including (without limitation) by disclosing relevant material to its officers, employees, representative, agents and/or advisers only on a strictly "need to know" basis and only for the purpose of this Selection Procedure.
- 5.8 Each Applicant agrees that it will not discuss any part of this RFP, any Proposal it is considering or which it has submitted and/or any other aspect of the Selection Procedure with any other Applicant at any time for any reason. Any breach of this obligation by an Applicant may result in its immediate elimination from the Selection Procedure.
- 5.9 No Applicant is entitled to make any announcement relating directly or indirectly to this RFP, the Selection Procedure and/or its Proposal. Each Applicant acknowledges and agrees that IBC shall have the absolute right to make any announcement in connection with this RFP and/or the whole or any aspect of the Selection Procedure.
- 5.10 Each Applicant is responsible for any and all costs, expenses and liabilities incurred (directly or indirectly) by the Applicant or on its behalf in the preparation and submission of its Proposal and/or otherwise in relation to the Selection Procedure and/or any negotiations following receipt by IBC of its Proposal (whether or not an Agreement(s) is entered into with such Applicant). Under no circumstances will IBC and/or its associated entities and/or any of its respective officers, employees, representatives, agents or advisers be responsible for any costs of any Applicant associated in any way (whether directly or indirectly) with the Selection Procedure.
- 5.11 Each Applicant acknowledges that any and all intellectual property rights of IBC and the ICC remain the exclusive property of IBC or the ICC (as appropriate). Furthermore, any materials provided by IBC to any Applicant shall belong and/or accrue exclusively to IBC. No Applicant shall claim ownership over any rights including (without limitation) intellectual property rights, in relation to the ideas, concepts, material or any other rights contained in this RFP, including the examples provided as part of this RFP which shall be owned by IBC.
- 5.12 In consideration of IBC receiving and reviewing its Proposal, each Applicant confirms and warrants that it has read, understood and accepted the terms and conditions set out in this RFP, which take precedence over any provisions contained in any other communications between the Applicant and IBC. Each Applicant further acknowledges that, except as set out in the Proposal and in the Agreement(s), there is no existing agreement, arrangement or understanding in place (whether in writing or oral) between IBC and the Applicant in relation to this RFP, its subject matter and/or the provision of the Services.

Applicant or prospective Applicant shall be governed by and interpreted in accordance with English law and any dispute arising from or in relation to the same shall be subject to the exclusive jurisdiction of the English courts.

**6. CONFLICTS AND COLLUSIVE BEHAVIOUR**

- 6.1 A conflict of interest arises when an Applicant’s integrity, objectivity or fairness in performing the Services is at risk due to a personal interest or conflicting business arrangement of the Applicant, or a person or organisation associated with the Applicant.
- 6.2 An Applicant must accordingly disclose in their Proposal any potential or actual conflicts of interest that they may have or may be perceived to have in respect of their responsibilities to IBC and other parties in the course of delivering the Services, should they be selected as the Successful Applicant. Applicants with such conflict or perception of conflicts must specify within their Proposal how they will manage the conflict or perception of conflict to provide assurance that it will not adversely impact the performance of any Services.
- 6.3 The Applicant and any person or organisation associated with the Applicant must not directly or indirectly provide any form of inducement or reward to any employee, member or shareholder of IBC, the ICC or any affiliates or associated concerns or any of their respective representatives in relation to the Selection Procedure under this RFP.

### **SERVICES**

The Successful Applicant shall be required to provide the services listed below, such services to be delivered by the Successful Applicant always in accordance with any instructions issued by or on behalf of IBC from time to time.

The ICC is looking for a vendor that can provide near-real-time production of highlights videos and clips, and enable those videos to be distributed to the ICC's Content Management System and social media platforms.

It is expected that Applicant will provide access to a platform that hosts the videos which would be searchable by automated meta data tagging (eg: player name, shot type) and quality/importance.

The platform should also allow for the creation of ready-to-publish edits with graphics overlays etc. As well as distributing to the ICC's CMS and social media platforms, we are looking for a vendor who can provide a public facing video playback service that leverages the meta-data to provide social-media-like video viewing experiences to our users.

The ICC will engage the successful bidder to provide services for identified ICC event matches up until the end of 2027 (see appendix C for full details).

#### **1: AUTOMATED CONTENT PRODUCTION AND DISTRIBUTION**

The ICC will make available from each match a live feed of the world feed and an API carrying ball by ball data of every key statistical event.

The Applicant is to use these to create highlights clips and videos available in as close to real time as possible.

The ICC should be able to search the platforms for video of any statistical event and create either standalone video assets or combine them into longer assets from within the platform.

The platform should use analytics to suggest high-performing content such as key moments in a match or extraordinary performances.

The ICC should also be able to add graphics such as player names, scores, match status, etc. to the video from within the platform.

Once these assets have been created, the ICC will then be able to download, share or send them to their CMS and social media platforms for publication.

Before the content is sent to other platforms, the ICC should be able to add key meta data such as geo-targeting information that will carry through to the designated platforms.

The vendor will maintain an archive for all vision and data feeds so the ICC can create on-demand content outside of identified event periods.

Any bidder who can demonstrate examples of integration and end-to-end content solutions with the below distribution points will be favoured:

- Deltatre Diva video player
- All major social media platforms, including vertical video platforms such as Facebook, Instagram, YouTube and TikTok
- Google's web 'Stories' product

Integration with third-party asset management systems, IE: Frame.io or similar, is also desired.

Applicants should talk to how they would ingest all ICC historical matches from the ICC's video archive into the platform and list any dependencies.

#### **SERVICES 2: CONSUMER FACING VIDEO PLAYER**

As well as distributing to the video players detailed above, we are looking for the vendor to provide a video player for integration into our websites and apps that will provide users with a social media-like viewing experience – eg: an endless scroll of related highlights videos.

The player should provide users with the following features;

- Sharing functionality
- Fan engagement functionality, IE: 'Likes'

- Ability to add CTAs or deeplink to URLs
- Polls, quizzes, interactive features
- Touch 'next' functionality
- 'TikTok' style swipe up next functionality
- Ability to mute sound
- Robust analytics platform
- Content management system to add, delete, amend 'stories'
