1. Opta Facts

- India have become the first team to win the ICC Men's T20 World Cup three times (2007, 2024 and 2026); they are the first team to successfully defend their title and also the first host nation to win the competition.
- India hit 106 sixes in ICC Men's T20 World Cup 2026, thereby becoming the first side to hit 100+ sixes in a single edition of the competition; indeed, India hit a boundary every 4.2 balls, the outright best such rate of any team in a single edition of the competition.
- A total of 23 four-wicket hauls were taken by bowlers during ICC Men's T20 World Cup 2026, the outright most in any single edition; seam bowlers accounted for 14 of these four-wicket hauls, again the most in any single edition.
- A total of seven centuries were hit by batters in ICC Men's T20 World Cup 2026, the most in a single edition of the competition and as many as the previous five editions combined (2024 – 0, 2022 – 2, 2021 – 1, 2016 – 2, 2014 – 2).
- India's win by 96 runs in ICC Men's T20 World Cup 2026 final against New Zealand is the highest winning margin in terms of runs in a knockout game in the tournament, surpassing the 74-run win by West Indies against Australia in the semifinal of the 2012 edition.
- India's win by 96 runs against New Zealand in the 2026 final is their highest winning margin in terms of runs in ICC Men's T20 World Cup history, surpassing their 93-run win over Namibia earlier in this edition; it is also the Black Caps' heaviest loss in terms of runs in the competition.
- India's total of 255/5 in the 2026 final the highest score by any team in a knockout game of the ICC Men's T20 World Cup; it is also the third highest score in the competition after Sri Lanka's 260/6 vs Kenya in 2007 and India's 256/4 vs Zimbabwe in 2026.
- India scored 250+ runs three times in ICC Men's T20 World Cup 2026 (256/4 vs Zimbabwe, 253/7 vs England, 255/5 vs New Zealand) the most times by any team in a T20I series or tournament; this was the Men in Blue's seventh 250+ score in men's T20Is, more than twice as many times as any other side in the format (West Indies and Zimbabwe – 3 each).
- India hit 18 boundary sixes in today's game against New Zealand, the most by any side at the final of an ICC Men's T20 World Cup; only Netherlands (19 vs Ireland in 2014), West Indies (19 vs Zimbabwe in 2026) and India (19 vs Zimbabwe in 2026) have hit more sixes in a single game in this competition.
- India scored 92/0 during the powerplay (overs 1-6) in the final of ICC Men's T20 World Cup 2026 against New Zealand, the joint-most runs in this phase by a team in a game in competition history (also West Indies' 92/1 vs Afghanistan on 17 June 2024).
- New Zealand's Finn Allen and Tim Seifert put together 494 runs as a pair during ICC Men's T20 World Cup 2026, the outright most by any duo in a single edition of the competition; they overtook the previous record of 446 set by Afghanistan's Ibrahim Zadran and Rahmanullah Gurbaz in 2024.

- Sanju Samson's 89 against New Zealand is the highest score by a batter in an ICC Men's T20 World Cup final; Samson (also 89 in the semifinal) and Tim Seifert (58 in the semifinal and 52 in the final), became just the third and fourth batters respectively after Shahid Afridi (2009) and Virat Kohli (2014) to register 50+ scores in both the semifinal and final in the same edition of an ICC Men's T20 World Cup.

- Including his knock of 89 in the final, Sanju Samson scored 321 runs in ICC Men's T20 World Cup 2026, the most by an India batter in a single edition of the competition surpassing Virat Kohli's total of 319 runs in 2014; Samson hit 24 boundary sixes in the 2026 tournament, the most by any batter in a single edition of the ICC Men's T20 World Cup.

- Sahibzada Farhan, Tim Seifert and Sanju Samson scored 383 runs, 326 runs and 321 runs respectively in ICC Men's T20 World Cup 2026, the most, second most and third most by any batter in a single edition respectively, bettering Virat Kohli's previous record of 319 runs in 2014; Farhan also became the first batter to hit multiple centuries in a single edition of the competition, doing so twice in the 2026 edition.

- Both Sahibzada Farhan and Tim Seifert logged four scores of 50+ runs each in ICC Men's T20 World 2026, the joint-most in a single edition of the tournament alongside Matthew Hayden (2007), Virat Kohli (2014 and 2022) and Babar Azam (2021).

- Will Jacks won the Player of the Match award four times during ICC Men's T20 World Cup 2026, the joint-most times by a player in a single edition (also Shane Watson in 2012).

- Each of the top three batters of a team scored 50+ runs for the first time in an ICC Men's T20 World Cup game with Sanju Samson (89), Abhishek Sharma (52) and Ishan Kishan (54) doing so for India against New Zealand in the 2026 final.

- Jasprit Bumrah logged the second-best bowling figures in an ICC Men's T20 World Cup knockout game with his spell of 4/15 against New Zealand in the 2026 final (4/12 – Ajantha Mendis vs West Indies in 2012 final); Bumrah has now picked up 40 wickets in the competition, the most by a pacer overtaking Lasith Malinga and Anrich Nortje (38 each).

- By scoring 110 against New Zealand on 17 February 2026, Canada's Yuvraj Samra became the youngest batter to score a century in ICC Men's T20 World Cup history, aged 19 years and 141 days; Samra is also the first batter from an ICC associate nation to register a 100 in competition history.

- Glenn Phillips (11) and Tom Banton (10) finished with the highest and second highest catches by a fielder (non-wicketkeeper) in ICC Men's T20 World Cup 2026; both players overtook Dasun Shanaka's previous record for the most catches by a fielder in a single edition of the tournament (9 catches in 2022).
