

Role Description and Person Specification

Role title:	Men's Assistant Coach
Salary:	£42,000 per annum
Location:	Scotland
Reports to:	Men's Head Coach
Term:	Two Year

Cricket Scotland have an exciting opportunity for a Men's Assistant Coach.

As the national governing body for cricket in Scotland, we deliver the game from grassroots to international level and our national teams compete on the global stage. We are looking for an inspirational coach to drive performance and assist the Scotland Men's Team through upcoming ICC qualification events and tournaments.

Who are we?

Cricket Scotland is the national governing body for the sport of cricket in Scotland. We are responsible for organising and developing the game at every level – from grassroots participation to elite international competition. Our primary goal is to promote and enhance the growth of cricket in Scotland, both in terms of player development and the overall popularity of the sport. Our four-year strategy, Uniting People and Communities through Cricket (2024–2028), is underpinned by our values and sets out a clear vision for the future of the game.

Cricket has a long history in Scotland, with records dating back to the 18th century, and Scotland became an Associate Member of the International Cricket Council (ICC) in 1994.

The Scotland men's and women's national teams regularly compete in international tournaments, achieving notable successes with memorable victories against higher-ranked teams and strong performances in global competitions. These achievements have raised the profile of cricket in Scotland and inspired more young people to take up the sport. Success at senior level has been matched by the men's and women's U19 teams, who have consistently qualified for ICC World Cups.

Alongside international success, Cricket Scotland is committed to developing cricket at grassroots level. We support and organise leagues, tournaments and coaching programmes across the country to grow participation, identify talent, and provide the training and resources needed for players to progress in the game.

Why join us?

This is a key role at a pivotal time for Cricket Scotland. With qualification for the 2027 ICC Men's Cricket World Cup and the 2028 ICC Men's T20 World Cup central to our strategy to deliver sustainable success on the pitch, the Men's Assistant Coach will play an important part in supporting the Men's Head Coach and contributing to Scotland's success on the international stage.

You will help prepare and develop the Scotland Men's National Team, provide specialist coaching input, and contribute to the continuous development of players through alignment with our high-performance pathways.

This is an exciting time for Cricket Scotland to move forward as an organisation to deliver our vision to unite people and communities through cricket. Looking ahead, Scotland will co-host the ICC Men's T20 World Cup in 2030 alongside England and Ireland.

Role Overview

Scotland Men currently sit at the top of the ICC Cricket World Cup League 2 table, competing for qualification to the 2027 ICC Cricket World Cup in Namibia, South Africa, and Zimbabwe. The CWCL2 campaign resumes in March 2026 with decisive series taking place in Namibia Nepal, and Scotland.

This role offers a unique opportunity to be part of the coaching team for Scotland at ICC global tournaments, support qualification campaigns, and make a lasting contribution to the development of players within a high-performing Associate cricket environment.

Key responsibilities within the role include:

- Support the Head Coach in the preparation, performance, and management of the Scotland Men's team across all formats of the game.
- Deliver high-quality specialist coaching (e.g., batting, bowling, or fielding) to complement the Head Coach and coaching staff.
- Assist in designing and delivering training sessions, practice environments, and match-day preparations that align with Cricket Scotland's strategic and performance objectives.
- Work closely with the Head Coach and performance staff to support player development programmes that improve individual performance and contribute to team success.
- Collaborate with the Performance Analyst and other support staff to integrate data-led insights into opposition analysis, match preparation, and player feedback.
- Contribute to the broader performance pathway by working with the Men's and Women's U19 squads, the Women's National Team, and the Women's A Team when required and depending on scheduling.
- Provide clear, constructive, and supportive feedback to players, building resilience and confidence within a high-performance environment.
- Contribute to creating and sustaining a positive, inclusive, and high-performing team culture that reflects Cricket Scotland's values.

Person Specification

To be considered for this opportunity, you should be able to demonstrate the following skills, experience and knowledge:

Essential

- A successful track record of coaching elite/professional cricket players and teams.
- ECB or ICC Level 3 performance cricket coaching qualification (or equivalent).
- Proven technical expertise in a specialist coaching area (e.g., batting, bowling, or fielding).
- Experience contributing to high-performance planning, including player development plans and programmes.
- Experience delivering coaching as part of a multi-disciplinary team including sports science and medical provision.
- Experience managing the workload and performance programmes for full-time and part-time players.
- Strong communication and interpersonal skills, with the ability to build effective relationships with players and staff.
- Fluency in written and spoken English.
- Confident use of I.T. applications, including athlete management and performance analysis software.
- Ability to apply data-led insights and work collaboratively with analysts to inform preparation, planning, and player development.

Desirable

- Coaching experience at first-class, franchise, or international level.
- Exposure to ICC World Cup qualifying events or ICC global tournaments.
- Previous involvement in Associate cricket environments.
- Demonstrated experience supporting Head Coaches or working within structured high-performance programmes.

Personal attributes

- A collaborative, adaptable, and supportive coach, motivated to complement the leadership of the Head Coach.
- An excellent communicator with the ability to provide clear, constructive, and motivational feedback.
- Strong commitment to promoting equality, diversity, and inclusion within cricket in Scotland.
- A positive role model who contributes to creating inspiring, impactful, and winning environments.
- Resilient, adaptable, and prepared to work hard as part of a small team to improve the performance of players and staff.
- A willingness to contribute across Men's and Women's programmes, including U19 and A Team squads, when required.
- A problem-solver with the flexibility to adapt quickly to the demands of Scottish and Associate cricket.

Place of Work

This role is based in Scotland, and the successful candidate will be required to live and work here for the duration of the contract. You must be available to attend training sessions, camps, and meetings as required. The role also involves regular international travel to support series, tournaments, and qualification events.
