Cricket Scotland is seeking a **Senior Events & Projects Manager** to lead the planning, delivery, and strategic development of our diverse portfolio of cricket and sporting events.

#### Role Overview

This is a high-profile role requiring a versatile, hands-on leader who can operate confidently at both strategic and operational levels. Within this role, you will have autonomy to shape and deliver events while working within a collaborative framework for key decisions.

You will lead cross-functional project teams, drive operational and commercial outcomes, and ensure events are delivered safely, professionally, and to the highest standard. This role combines strategic thinking, project leadership, financial acumen, and hands-on delivery skills.

With expanding international opportunities, a strengthened domestic game and major tournaments on the horizon, this is a pivotal leadership role at an exciting time for Scottish cricket.

#### The Role

You will take ownership of Cricket Scotland's national events portfolio, including:

- International fixtures
- Domestic finals
- Scottish Cricket Awards
- Conferences and showcase events

You will identify and pursue hosting opportunities, including engagement with the International Cricket Council, positioning Scotland as a credible and competitive host nation.

You will also act as project lead for strategic initiatives such as the European T20 Premier League and work closely with the CEO on preparations linked to the ICC Men's T20 World Cup 2030.

#### What You Will Deliver

- High-quality, safe and inclusive events delivered on time and within budget
- Strong financial management and commercial optimisation
- Exceptional fan, participant and stakeholder experiences
- Cross-functional leadership across cricket operations, commercial and corporate teams
- Professional presentation standards that enhance the Cricket Scotland brand
- Insight-led evaluation and continuous improvement after each event

You will be trusted with autonomy and expected to lead decisively, while working collaboratively and transparently across the organisation.

### **About You**

You will bring:

- Proven experience delivering major sporting or large-scale events
- Strong project management capability and financial literacy
- Experience leading multi-disciplinary teams
- Excellent communication and leadership skills; a collaborative, team-oriented approach.
- Credibility in stakeholder environments
- The ability to operate strategically while remaining operationally effective
- A calm, solutions-focused approach under pressure

Experience within a governing body or professional sport environment is desirable, but strong event leadership experience is essential.
